

# GCSE Choices - September 2018

We are planning to offer the following GCSE subjects in the Fourth Form at Clifton College in September 2018.

## Core subjects

English (Language and Literature)	Physics
Mathematics	Religious Studies
Biology	A modern language (to be chosen as one of the four options below)
Chemistry	Personal, Social and Health Education

- The Science subjects may be taken as three separate GCSEs or as Combined Science, worth two GCSEs. We will advise students on which route they should follow - this is not a choice that can be made on this form.

## Options

One subject is chosen from each of the blocks P, Q, R and S:

Block P	Block Q	Block R	Block S
Business Studies	Art	Business Studies	Art
Mandarin	Computing	Computing	Business Studies
Dance	Drama	Design & Technology	Classical Civilisation
Design & Technology	Design & Technology	Economics	Economics
Geography	Geography	French	English as an Additional Language
History	History	Geography	Geography
Latin	Learning Support	History	German
Music	Spanish	Latin	Music
Physical Education		Learning Support	Sculpture

- We expect all Clifton pupils to choose at least one modern language. However, there may be exceptions to this, for example, in the case of an entrant who has never previously studied a modern language.
- Students with a strong interest in languages may choose a second modern language and also Latin. However, studying a new language as a beginner is generally discouraged.
- In some cases, students can opt to study a language not listed above, such as Portuguese.

Please speak to the Deputy Head (Academic) if you have any questions about the subject options.
