

Subject choices for September 2019

CLIFTON
COLLEGE

Please read this form in conjunction with the details on page 8 of the Curriculum Book.

We are planning to offer the following subjects in the Fourth Form at Clifton College in September 2019.

Core Curriculum

English (Language and Literature)	A modern language (chosen as one of the four options below) Personal, Social and Health Education (not examinable)
Mathematics	
Biology	
Chemistry	
Physics	

- The Science subjects may be taken as three separate GCSEs or as Combined Science, worth two GCSEs. We will advise students on which route they should follow - this is not a choice that can be made on this form.

Options

- Four options are to be chosen from the following subjects. At least one of these should be a modern language, in order to satisfy the requirement in the Core Curriculum as per the table above.

Ancient Greek	French
Art	Geography
Art, Craft and Design	German
Business Studies or Economics	History
Classical Civilisation	Latin
Computer Science	Learning Support
Dance	Mandarin
Design and Technology	Music
Drama	Physical Education
English as an Additional Language	Religious Studies
	Spanish

- We expect all Clifton pupils to choose at least one modern language. However, there may be exceptions to this, for example, in the case of a new entrant who has never previously studied a modern language.
- Students with a strong interest in languages may choose a second modern language and/or Latin. However, studying a new language as a beginner is generally discouraged.
- In some cases, students can opt to study a language not listed above, such as Portuguese.
