

# Behaviour Policy

## Upper School

Clifton College is dedicated to ensuring that our school environment supports learning and the wellbeing of pupils and staff through a strong sense of community cohesion. Cooperation, support, and respect are the foundations of our community and we work hard to provide a safe school where pupils feel included in every aspect of school life and comfortable to voice their opinions.

This policy outlines what we expect from all our pupils in terms of their behaviour. It extends to all members of our school community and is written in line with the College's 'Vision and Values'. Good behaviour and self-discipline have strong links to effective learning, and are vital for pupils to carry with them both during and after their school years.

### 1 AIMS

Clifton College believes that all pupils should be aware of the standards of behaviour that are expected of them and take responsibility for promoting these standards. Courtesy, good manners and high standards of behaviour are expected of Cliftonians at all times. We hope that by encouraging positive behaviour we can promote good relationships throughout the school built on trust and understanding, and that through the use of this policy we can support all of our pupils in developing a high level of social awareness. Our aim is to ensure that all our pupils leave the school with the key skills they need to continue to progress to the best of their ability in all areas of life. The purpose of the rules is to enable the school to function to the best advantage of all its members and neighbouring community. The aim is to promote a happy, safe and enjoyable environment for everyone.

### 2 THE COLLEGE'S CORE VALUES AND THE PUPILS' CODE OF CONDUCT

It is all pupils' duty to abide by the Core Values and Behaviours of the College and comply with the pupil's Code of Conduct and School Rules. The Code of Conduct and School Rules apply at all times during term time, both in and out of school and when pupils are on trips or visits.

#### 2.1 College's Core Values

We have three **core values**, which underpin the College's overall culture.

**Integrity** - We treat each other with kindness, sincerity and respect. We are liberal and open-minded, free from prejudice and pretension. **We strive to make a positive difference in everything we do.**

**Spirit** - We are determined to explore and develop what excites and motivates us, to fulfil our potential and realise our dreams. **We are curious, adventurous and intellectually agile.**

**Resilience** - We believe everyone should be empowered and supported to take risks. We are not afraid of setbacks. We learn from our successes and challenges. **We encourage bravery and, through reflection, build inner strength.**

## 2.2 Pupils' Code of Conduct

- Treat others as you would like to be treated yourself.
- Demonstrate good manners and helpful and considerate behaviour at all times.
- Be conscientious in your attitude to work and school commitments, aiming to do your best at every opportunity.
- Be punctual by being accountable and responsible for your time.
- Allow others to work without disturbance.
- Care for and respect other people's welfare and property.
- Look after and respect the physical environment of the College.
- Ensure that harm does not come to yourselves or others.
- Cooperate with others in a spirit of trust, mutual support and common purpose.
- Be an ambassador for the College by giving service to Clifton and the wider Bristol Communities.
- Contribute widely to House and school activities.

Whilst the expectation is that all pupils will follow the Code of Conduct, Clifton College believes that it is important to encourage good behaviour throughout the school by celebrating and rewarding good behaviour, as detailed in the school's Rewards and Sanctions Policy.

## 3 STANDARDS OF BEHAVIOUR

### 3.1 School

The school understands that the first step to modelling good behaviour is to lead by example, which means that all staff, volunteers, and anyone else who comes to the school must act responsibly and professionally, and will never denigrate pupils or colleagues. We work hard to ensure that discipline is consistent across the school so that behaviour boundaries and sanctions are clear to all and are applied fairly, proportionately, and without discrimination, taking into account SEN needs and disabilities as well as the additional challenges that some vulnerable pupils may face. We recognise our legal duties under the Equality Act 2010 in respect of pupils with SEN and/or disabilities. Staff are trained to deal with behavioural issues as part of their continual professional development.

We work with parents to understand their children and their behaviour and believe that behaviour boundaries and sanctions, good support systems, praise, and rewards for good behaviour are an important part of building an effective learning community. The school will report behaviour, good or bad, to parents regularly. We encourage parents to communicate with the school if they have a concern about their child's behaviour, and we will do as much as is possible to support parents, as and when they need it. We promote

good behaviour within the school curriculum and reminders of school rules and expected standards of behaviour are published in the pupils' calendar.

The school will take all reasonable measures to ensure the safety and wellbeing of all pupils and staff and this includes protection from bullying. We aim to combat bullying and other harmful behaviour using, amongst others, preventative strategies through the active development of pupils' social, emotional and behavioural skills. For more information, see section 4.7 of this policy.

### **3.2 Pupils**

Pupils are expected to follow the pupil code of conduct and to obey the school rules, listen, follow instructions by staff, and accept and learn from any sanctions that they receive.

### **3.3 Parents**

Parents play a big part in ensuring that their children are responsible for their own behaviour and progress in school. We ask parents to work with the school in support of their child's learning, which includes informing the school of any special education needs or personal factors that may result in their child displaying unexpected behaviour. We ask that parents be prepared to attend meetings at the school with staff or the Head Master to discuss their child's behaviour.

## **4 THE SCHOOL RULES**

When rules are broken, sanctions may be imposed by the Head Master, Deputy Heads, Housemasters/mistresses (HoM) or Teaching Staff, depending on the circumstances. Sanctions are imposed in order to protect the communal life of the College and to make it clear that certain actions are unacceptable. The school's aim is always to be clear and fair, and to explain the reasons for any punishments given so that those involved can reflect on their actions and understand what is expected. Sanctions range from Marshal's Extra Duties (MED) and detentions to gating and suspension. (Praepostors may recommend minor sanctions for pupils who contravene the rules to the Marshal or Deputy Head Pastoral).

(Detail of the sanctions can be found in the School's Rewards and Sanctions Policy).

In some cases members of staff will confiscate items and can search a pupil or their belongings if they suspect they are in possession of prohibited items. (For further information see the School's Policy on Searching and Confiscation).

Rules apply in term time when at school, when travelling to or from school, during work experience, school trips, or extended school activities such as sports events, or any event where poor behaviour might jeopardise the chances of future pupils participating. Day pupils, or boarders on exeat, should expect to be treated in the same way as boarders if they are involved in the same incident. Any off-site misbehaviour could result in sanctions. Behaviour that has a negative impact on the reputation of the College may result in sanctions. The College reserves the right to impose sanctions for poor behaviour that

occurs outside of term time or the normal school day if such behaviour is likely to have a negative impact on the College or members of the College community.

For legal and safety reasons, certain activities require specific permission. In addition, some areas of the College have their own particular rules.

#### **4.1 Unacceptable Behaviour**

The following behaviour is regarded as completely unacceptable and will result in disciplinary actions as outlined in the Rewards and Sanctions Policy, and may be punishable by suspension or expulsion. This list is not exhaustive.

- Verbal or physical abuse to staff, pupils and others
- Rude, derogatory, racist, prejudice or defamatory language
- Indecent behaviour, sexual abuse and assault
- Damage to property, arson and theft

- Pupils are expected to do all work set to the best of their ability and to hand it in on time.
- Punctuality is required at all times. In practice, this means arriving early for all commitments.
- Pupils must inform staff in advance of any official absence. If for any reason a commitment is missed accidentally, an apology and explanation should be given within 24 hours.
- Pupils missing academic lessons to attend a music lesson must seek permission 24 hours in advance from the member of staff.
- Pupils may not wander around the school during lesson time. If a member of staff is not present at the start of a lesson, pupils are expected to seek advice from another member of staff, or a representative should go to the Deputy Heads' Office. Only with permission should Sixth Form pupils return to their studies to work for the remainder of that single lesson.
- Visits to plays, concerts, or other functions may be allowed if permission has been granted by the Housemaster/mistress; no pupil may miss more than one evening of prep per week – work must be made up unless specifically remitted by the

Housemaster/mistress. Pupils in Block II may only visit local entertainments in officially organised groups.

### 4.3 Attendance

- Unauthorised absence from school is not allowed.
- Only House and Health Centre staff, or the parent of a day pupil, can decide whether a pupil should stay out of lessons. Under no circumstances may pupils decide for themselves whether they are fit or not.

(Note: Pupils are not normally allowed to leave the campus after prep).
- Normal bounds regulations apply on Saturday evenings. Third and Fourth Form boarders may not leave the campus after lock-up unless involved in activities supervised by adults. Older pupils may ask to go out; they must be back in their Houses by the following times unless they have specific permission in advance:

**Fifth Form: 9.00pm**

The school takes its anti-drugs policy very seriously and will discipline any person found to be in possession of drugs. Pupils may be permanently excluded if they are found to be involved in drug-related incidents. This includes supplying, possessing, or taking the following. (For further information see the College's Drugs and Substance Abuse Policy).

Spirits are forbidden. House curfew must be strictly adhered to.
- Pupils who are 18 or over must not under any circumstances purchase alcohol for pupils who are under 18. The parents or guardians of day pupils found to be breaking these rules whilst outside the College's care will be informed.

(For further information see the College's Alcohol Policy).

#### 4.7 Bullying

Clifton College wants to make sure that all pupils feel safe at school, and accepted into our school community. Our ethos is one of inclusion and equality; bullying of any kind is regarded as a serious breach of our behaviour policy and will not be tolerated, whether it is a one-off incident or an ongoing campaign.

Bullying can be verbal or physical, by person or by electronic, online or written means and can be directed at both staff and pupils. The school practices a preventative strategy to reduce the chances of bullying, and our anti-bullying policy is instilled in our curriculum and everything we do at the school.

Online abuse and bullying that takes place out of School or during the holidays and is subsequently brought to the attention of the School may be addressed in line with School policy.

Staff and pupils need to be aware of 'Upskirting'. This typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm. It is now a criminal offence.

In the absence of 24 hours' notice, an email from the pupil's parent or guardian received by the member of staff at the point of travel is acceptable. A phone call from a parent or guardian is not acceptable, as in these circumstances identity is more difficult to confirm. (Note: This procedure is not required for home matches at Beggar's Bush).

Internal sanctions applied for disregard of this in either internal or public examinations can range from confiscation of the device for accidental possession, to exclusion for deliberate malpractice. ## 6 COVID PREVENTION MEASURES

Measures to prevent COVID infection centre on (6.1) physical distancing and the use of bubbles, (6.2) an enhanced hygiene and cleaning regime, and (6.3) having in place measures to deal with suspected or confirmed cases of COVID.

### 6.1 Physical distancing and the use of bubbles

**Physical distancing will be maintained wherever possible.** Clearly in a school setting this is not always practicable and so government advice introduced the idea of bubbles of pupils. The concept of the bubble is that it allows a group of pupils to interact with one another while maintaining a separation between one bubble and another. At Clifton each pupil will be in a bubble that is their year group and in addition boarders will be in a bubble that is their boarding house. **Where it is possible pupils within their bubble will still distance.**

- All pupils must sit according to the teacher's seating plan.
- All pupils must follow the one-way system that has been set up in all teaching buildings.
- When in the Quad or on the Close pupils must follow physical distancing rules.
- All pupils must eat in BSK at the time allotted to them.
- All pupils should physically distance from other pupils where this is practically possible but particularly from those pupils in other years groups who are not in their bubble. Boarders going off the campus or using the Close in the evening must follow the rule of 6.
- All pupils must follow carefully instructions about physical distancing given to them by a member of staff when engaging in lessons, in the house or during sport and co-curricular activities.

### 6.2 Enhanced hygiene and cleaning regime

The Summer term will continue to see an enhanced cleaning schedule with particular focus on shared areas and frequently touched surfaces. In addition the College will insist on robust hand and respiratory hygiene for all pupils and staff.

- All pupils must carry hand sanitiser with them at all times.

- All pupils must wash or sanitise their hands before the start of every lesson, before and after lunch and at other times when directed to do so. Note that in the science school alcohol hand sanitiser cannot be used. Non-alcohol sanitiser will be provided and should be used by all pupils in science lessons. Pupils with alcohol based sanitiser must keep this securely in their book bag during science lessons.
- Pupils must keep all their personal possessions such as books, stationery, calculators, sports kit, musical instruments etc either in their own locker in the house study or in a closed bag. Suitable bags with the house shield are available through the school shop. All kit must be named.
- Studies must be kept tidy at all times to allow for rigorous cleaning.
- In houses, pupils must use the bathrooms, kitchens that are allocated to them.
- All pupils must use their own crockery and cutlery for use in the House and keep this clean and in their locker.
- All pupils must carry a face covering at all times. These can be disposable coverings or reusable coverings and should be close fitting and secure. Current When we require students to wear face coverings or they choose to do so they should be appropriate to the setting. Nothing offensive or advertising any goods or services.
- Disposal of face coverings must be hygienic and any washable masks must be handled with care and kept in a named plastic zip lock bag. (Some sort of clip to attach the plastic bag to bags or kit bags may be sensible). Face coverings are available from the school shop.
- Face coverings must be worn in all corridors, when moving around the school and in classrooms when physical distancing of >2m is not possible, unless a student is exempt.
- In Houses face coverings must be worn when moving around the House, in communal areas and in studies when physical distancing is not possible, unless a student is exempt.
- Boarders do not have to wear a face covering in their study bedrooms when mixing with their in-House bubble.
- Face coverings must be worn in the school shop, on buses and minibuses and when queuing for BSK.
- There may be other occasions when face coverings are required as and when directed to do so by a member of staff.

### **6.3 Measures for dealing with a suspected or confirmed case of COVID.**

**If a pupil displays any of the symptoms associated with COVID while at home then their parents must inform the College as soon as possible.**

**If a pupil displays any of the symptoms associated with COVID while in school they must report this to a member of staff as soon as possible.**

## 7 WHAT TO DO IF YOU ARE UNHAPPY

We believe that you will remember the school in the future as a place which was exciting, enjoyable and challenging, a place where you made friends and felt extremely happy and valued. We do our very best to make sure that you have the best possible time here.

Inevitably, there will be times when you experience difficulties or sadness. It is important that at such times, even if you think that others will find your problems trivial, you talk to somebody. Talking to a friend may not always be enough. There are plenty of other people who will always be extremely happy to listen and help. You will always be taken seriously. It is very important not to bottle things up but to talk to someone. Usually we can help and certainly you will feel better for having shared how you are feeling with someone else.

Reasons for anxiety or unhappiness at school vary greatly. Problems may be relatively straightforward - lost property, timetable difficulties etc., or more complex and perhaps more worrying - bullying, private or personal problems, concern for a friend who is in trouble.

There are a number of adults to whom you could turn to discuss any issues you might have:

- Your Housemaster/mistress
- Your Assistant Housemaster/mistress
- Your Tutor
- Your House Matron
- The Chaplain
- Mrs Tracey Richardson - school Counsellor
- The school Doctors, Senior Nurse Manager, or any of the Health Centre nurses
- The Head Master (see below)
- The Deputy Heads
- The Marshal
- Any member of staff whom you know and trust

Our professional counsellor, **Mrs Richardson**, is available to all Clifton pupils for confidential consultation. You can contact her by email on [counsellor@cliftoncollege.com](mailto:counsellor@cliftoncollege.com); you will then be given an appointment.

You may prefer to talk to someone who is not connected with the College in any way. If you do not feel able to seek help from any of the above then you can contact **Stuart Taylor**, the school's Independent Listener, who will listen to you and, if necessary, meet with you in confidence. He can be contacted on 0117 315 7289.

## 8 WHAT TO DO IF YOU HAVE A COMPLAINT

Complaints about any aspect of school life may be made at any time to any of the members of staff listed above. However, if you wish to make a formal complaint you should follow the procedure below.

### Pupils' Complaints Procedure

1. Any pupil may make a formal complaint by writing a letter to the Head Master (or, if the complaint concerns the Head Master himself, to the Chair of Council).
2. The pupil will be spoken to confidentially within 48 hours. The situation will then be investigated.
3. The pupil will then be invited to discuss the matter and another pupil or member of staff may attend that meeting. This will happen within a week of the complaint being received.
4. If at the end of this meeting the pupil is still dissatisfied, a meeting with a member of Council can be arranged.

The procedure is intended to produce a resolution that everyone can accept.

If the complaint has not been resolved by the procedure above, then pupils can contact ISI by calling 0207 600 0100, texting 0783 457 8095, or by emailing [concerns@isi.net](mailto:concerns@isi.net).

## 9 EQUAL OPPORTUNITIES STATEMENT

Clifton College maintains an equal opportunities policy in all areas of school life. The aim of this policy is to ensure that no pupil receives less favourable treatment than any other

on grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation. The College is committed to making this policy fully effective for all who study and work in the institution.

For clarification, the legal definition of disability expressly excludes certain conditions: A tendency to set fire, steal, physically or sexually abuse other persons, exhibitionism and voyeurism. In certain situations, where the physical abuse of others is part of a disability, for example an autistic child who lashes out at their care staff, this behaviour is not excluded and the pupil is entitled to the legal protection afforded by The Equality Act. The College is required to make reasonable adjustments to manage this behaviour and avoid putting the pupil at a substantial disadvantage, for example by making adjustments to the Behaviour Policy and to avoid the behaviour arising through de-escalation strategies, providing increased supervision and further staff training etc.

**Routine times for pupils to see the Deputy Heads:**
