

Exeat Policy Upper School

DEFINITION

For the purposes of this policy an exeat is leave of absence for a pupil from the School, either at the weekend for boarders or during the working week for all pupils.

The College has fixed holidays, as published in the term cycle. Half term holidays are also known as exeats or 'fixed exeats'. Parents or guardians are expected to make suitable arrangements for pupils to leave and return to School at the times stated in the Calendar. Permission to leave early must always be sought in writing from the Housemaster/mistress, who will consult with the Head Master.

PURPOSE AND RATIONALE

It is important to have an accurate record of the whereabouts of every pupil during term time. When pupils leave the School for a day visit or for an overnight stay, responsibility for their care passes from the HoM to the parent, guardian or host. HoMs must therefore be certain that parents or guardians have given their approval.

The College acknowledges that many parents and pupils appreciate the benefits of a flexible system of exeats for boarders. However, this must be balanced with the need for pupils to fulfil their academic and co-curricular commitments and with the desirability of integrating all boarders into the School community.

Exeats are therefore normally granted provided that they do not conflict with school or individual commitments nor have a negative social impact on the pupil or the community.

Each year there are a number of "in weekends" scheduled in which we ask that all boarders (regardless of boarding status) remain in school for the weekend so that they may take part in a variety of social activities designed to strengthen the community spirit within the College. Unless there are exceptional circumstances, exeats will not be permitted for these weekends. The first weekend of Michaelmas term will always be an "in weekend" to enable new students to settle in and get to know existing students.

PROCEDURES AND PRACTICES

The pupil asks his/her parents or guardians to write or email more than 48 hours before the exeat is required. HoMs can take verbal instructions by telephone or email if they are satisfied of the identity of the person with whom they are communicating. HoMs will need to be absolutely sure of the arrangements which must adhere to the rules set out in the Parent Contract and the Child Student Visa (formerly known as Tier 4) Government legislation for Overseas pupils without a British passport.

If the pupil is not staying the night at his/her own home, written or email confirmation from the host is required to ensure that the arrangements are satisfactory using the agreed

exeat form. In certain circumstances a telephone call might suffice to begin the process but the form must be filled in which lists the responsibility of the host. This can be sent by email if the HoM is happy that they know the identity of the person with whom they are communicating. If no form is received, then the pupil will not be able to go on exeat.

The pupil sees the HoM at least 24 hours in advance and once the exeat is agreed the HoM communicates with the Marshal sharing the exeat form.

Pupils on an overnight exeat must stay with a responsible adult over the age of 25. However, there are occasions where permission may be granted for pupils to stay with family members who are younger than 25. This is at the discretion of the Deputy Head (Pastoral).

Pupils are not allowed to stay in bed & breakfasts, hotels, university halls of residence or rented flats unless accompanied by a responsible adult over the age of 25. In exceptional circumstances, such as university interviews, the Deputy Head (Pastoral) may grant an exemption to this rule.

All pupils should return to the House before 10pm at the end of the exeat. Travel arrangements need to be planned with this in mind. In exceptional circumstances, and at the HoM's discretion, a later return to the House may be approved, but permission should be sought prior to booking any travel arrangements.

Pupils who do not go home to stay with family members during the holidays will complete a google form about their stay so that any pastoral or safeguarding concerns can be investigated.

DISSEMINATION/IMPLEMENTATION

This policy is explained in the HoM and House Handbooks. The rules and procedures for exeats are outlined in the Upper School Booklet.

Day-to-day implementation is the responsibility of HoMs.

MONITOR AND REVIEW

This policy will be reviewed annually and at other times in the intervening period as necessary.
