

THE 1862 CLUB
LEGACY APPEAL

IF YOU WILL
THEY CAN

CLIFTON
COLLEGE

ESTABLISHED 1862

BECOMING A MEMBER OF THE 1862 CLUB

The 1862 Club has been created to recognise and appreciate those who have included the School in their Will. It gives the School the opportunity to thank members in their lifetime.

All members will be invited to an annual luncheon, hosted by the Head Master to acknowledge their generous support.

Clifton College is one of the leading independent schools in the country.

John Percival, the first Head Master in 1862, envisaged an all-round education; his liberal, visionary and pioneering spirit undoubtedly lives on today.

Former pupils include three Nobel Prize winners, entrepreneurs in commerce and industry, military leaders, government ministers, peers of the realm, royalty, eminent academics, sports stars, public figures and pioneers in education, medicine, law, science, the arts and media.

Many have benefited from a tradition of benefaction and philanthropy which, over the decades, has contributed to their lives.

PLANNING FOR THE FUTURE

Increasingly Scholarships and Bursaries play an important role in maintaining the College strength and diversity. They allow us to look beyond parental wealth and provide opportunity to the most talented and deserving pupils who would otherwise not have the means to benefit from all Clifton has to offer.

Giving to Clifton, by making a bequest through your Will, will enable us to plan for the future, meeting current and future needs.

You can make an enormous contribution to the life of the College by making a legacy gift.

MAKING PROVISION FOR CLIFTON

A legacy donation is one of the most meaningful and enduring gifts you can make; after protecting the interests of family and friends, choosing to leave a legacy can be an appropriate, tax-efficient and straightforward way of making a real difference to Clifton.

Primarily proceeds from legacies will be directed towards Scholarships and Bursaries, unless of course you indicate an alternative preference.

Many who are unable to give as much as they would like in their lifetime find a legacy gift can be an attractive alternative.

Legacy gifts can be in the form of cash, shares, property or chattels and as Clifton is a registered charity there can be significant reductions in Inheritance Tax.

“IF YOU WILL.....THEY CAN.”

THE NEXT STEP

If you would like to make a gift in your Will, then please complete the enclosed Legacy Pledge form and return in the pre-paid envelope.

The more we know about your personal wishes the better able we will be to honour your intentions in full.
